VAIL, COLORADO

February 11 to 18, 2012, Landmark Tower East Condo, \$1,645

Let's return to Vail, the largest single mountain ski area in North America. By popular request we will be staying in spacious two bedroom two bath condominiums at the Landmark East Tower in Lionshead, a few yards to the Eagle-Bahn Gondola and the free in town shuttle. Each condo has a guaranteed mountain view and great amenities such as a fireplace and full kitchen. Other amenities include an outdoor heated pool, hot tub, internet access and a restaurant. When it comes to skiing, no other area can match the size and variety of the ski terrain Vail has to offer. Blue Sky Basin offers open glades and tree skiing that is second to none. Vail is guaranteed to please novices, intermediate, and expert skiers alike. And for night life, Vail has it all! Great restaurants, bars, entertainment, and shopping!

PARK CITY, UTAH

March 10 - 17, 2012, Park City Peaks Hotel, \$1,390

Here is a place with access to three distinct mountain areas. If you want pampering, go to Deer Valley or you can head to the Canyons, or Park City Mountain. And did you know that you can actually ski six resorts in one day? Just take the guided Interconnect Tour which takes you on a hike/ski tour of 6 incredible peaks at Deer Valley, Park City, Solitude, Brighton, Alta and Snowbird – what a treat. A fun family trip! Remember, Park City also has the Olympic Park where you can bobsled the actual course – imagine the adrenaline rush you will be getting, too fast for you? Take the fun coaster ride down the Payday lift or go to the Gorgoza Tubing Park and then top it all off with a balloon ride over Park City, it does not get any better than this!
